Monterey Boats Recognized with NMMA Customer Satisfaction Award for the 21st Consecutive Year!

Williston, FL – February 27, 2026 – Monterey Boats, an award-winning manufacturer recognized for both product excellence and customer service, is honored to announce that, for the 21st consecutive year, we have received the 2025 Marine Industry Customer Satisfaction Index (CSI) Award for Excellence in Customer Satisfaction.

Monterey Boats was recognized for its continued commitment to customer excellence in Fiberglass Outboard Boats during the NMMA's State of the Recreational Boating Industry & Awards Presentation held on Thursday, February 12, 2026.

The Marine Industry CSI Award is presented to manufacturers who consistently measure customer satisfaction and implement continuous improvements to enhance consumer experience. To earn this recognition, recipients must achieve and maintain an independently verified standard of 90 percent or higher in customer satisfaction over the past year, based on consumer surveys from new boat purchases between January 1, 2025, and December 31, 2025.

Earning this distinction for 21 consecutive years reinforces Monterey's longstanding reputation for building premium-quality boats while delivering an ownership experience that reflects the same level of care and craftsmanship. We are incredibly proud to receive this prestigious honor once again and remain committed to delivering exceptional quality, performance, and customer service to boating enthusiasts worldwide.
